HP TouchSmart 520-1020 PC

A touch of genius.
Introducing the New HP TouchSmart PC.

The HP TouchSmart series brings new life to your computing experience with an innovative touch screen, a suite of built-for-touch apps, and an iconic new look and feel.

HP recommends Windows® 7.

Inclining toward perfection

Lighter, thinner, and altogether stylish.

HP always pushes the envelope—and the trendsetting HP TouchSmart PC series is the natural next step. With its innovative freestand and distinctive profile, the completely redesigned TouchSmart PC is lighter, thinner, and altogether stylish.

- With no visible back support, the iconic profile of the TouchSmart PC is seemingly magical—tilting back for comfortable use and easy viewing.
- Every aspect carefully and intuitively designed—the space between the base and the display makes room for a keyboard to be stowed away when not in use.
- The HD display gives you not only an almost cinematic experience—it's also an intuitive HP touch screen, with a host of built-in, touch-enabled apps.(33)

Your digital world at your fingertips.

- Simply touch the screen to immerse yourself in your favorite movies and games that run the most utterly demanding applications using state-of-the-art dual- or quad-core processors.
- Twitter, Facebook—you'll find all your favorite online destinations with awesome touch interfaces.(10)
- Beats Audio™, created in conjunction with Interscope Records, lets you hear the music the way the artists intended—all the highs, lows, and crystal-clear mid-ranges other desktops often lose.

Amazing Applications, incredibly easy

- The next-generation TouchSmart 5.0 interface lets you access your Windows apps, desktop icons, and task bar alongside your HP TouchSmart apps without leaving the immersive TouchSmart 5.0 Magic Canvas environment.
- Customize your carousel, multiplies your workspace, and provides endless entertainment possibilities with a range of touch-integrated applications, Windows content, and more.
- HP LinkUp software lets you access the content and programs on your notebook from your TouchSmart PC—without file mix-ups or complex synchronization.(37)(38)

All-in-one for all

A slim, power-saving design with a small footprint comes with everything you need built-in.

- Genuine Windows® 7 Home Premium 64-bit(1)
- Get the big picture with a 16:9 Full HD1080p widescreen.
- Video chat with friends and family using the built-in webcam and microphone.(10)(30)
- Simple set up: just plug in one power cord to get started.
- Wireless keyboard conveniently stows away when not in use.
- Built in wireless capabilities include a wireless keyboard/mouse and integrated WLAN.(10)

Hear music the way the artist intended

HP Beats Audio™ puts your PC in the center of your musical world.(34) Engineered to allow your PC to reproduce the sound quality found in music studios, Beats Audio™ lets you hear all the music—the highs, lows, and crystal clear midranges. Beats Audio™ is a digital music playback system designed to let you hear what you've been missing with Beats Audio™ Studio Quality Sound.

Relax with 24x7 Support

HP Total Care provides award-winning service and support for your computer. Visit www.hp.com/go/totalcare to learn about services and support options that supplement or extend your standard coverage.

During your limited warranty period you get:

- 24x7 technical assistance via on-line chat, e-mail, or phone
- Parts and labor coverage, including customer-replaceable parts, return of equipment to HP, and authorized service provider options
- 24x7 toll-free technical and limited software support in English or Spanish at 1.800.474.6836

In addition, and at no charge, you get 24x7 access to the HP Support Forum in English, French, or Spanish (www.hp.com/go/supportforum) and lifetime use of HP Support Assistant (www.hp.com/go/hpsupportassistant) to help you keep your PC up to date and get assistance when you need it.

ecoHIGHLIGHTS

HP TouchSmart 520-1020 PC

HP is committed to delivering energy efficient products and services. HP reduces resource use and waste in the design, manufacture, packaging and transportation of our products.

- All HP TouchSmart 520 PCs are ENERGY STAR® qualified (including the latest 5.0 specifications)*
- HP TouchSmart 520 packaging is 100% recyclable and contains a minimum of 75% recycled material.(31)

*All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower by model. (31)100% recyclable in USA; recyclability may vary in other locations due to availability of recycling programs.

[1] This system may require upgraded and/or separately purchased hardware and/or a DVD drive to install the Windows® 7 software and take full advantage of Windows® 7 functionality. See http://www.microsoft.com/windows/windows-7/ for details.
[2] Processor speed 2.60**GHz,** 3MB cache, Bus Interface DMI 5.0 GT/s**.** Intel's numbering is not a measurement of higher performance. [4] For hard drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 14GB of storage space is reserved for the system recovery software. [6] Actual speeds may vary. Don't copy copyright-protected materials. Double Layer is a new technology. Double Layer media compatibility will widely vary with some home DVD players and DVD-ROM drives. Note that DVD-RAM cannot read or write to 2.6GB Single Sided/5.2 GB Double Sided – Version 1.0 media. [6] As Blu-Ray is a new format containing new technologies, certain disc, digital connection, compatibility and/or performance issues may arise, and do not constitute defects in the product. Flawless playback on all systems is not guaranteed. In order for some Blu-ray titles to play, they may require a DVI or HDMI digital connection and your display may require HDCP support. HD-DVD movies cannot be played on this Desktop PC. [11] Internet access required. First 60 days included; subscription required for live updates afterwards. [14] Includes reduced functionality versions of Word and Excel. Purchase of Product Key required to activate full Office 2010 suite available at participating resellers/retailers and www.office.com. [16] Part of the total system memory (RAM) is used for graphics/video performance. System memory dedicated to graphics/video performance is not available for other use by other programs. [19] Wireless access point and Internet service sold separately.
[25] Availability of applications on Touchsmart PC will vary by country. [33] High-definition content required to view HD images. [34] Headphone and Line output required. [35] Internet access required and sold separately. HP Movie Store powered by RoxioNow movie rental and purchase charges apply.[37] Compatible with any notebook or desktop PC running Windows XP, Vista, or Windows 7.[38] Internet connection and home network required.
